# COMPANY PROFILE

## **Company Overview**

Shreeniwas Casttech Industries Established in 2013, Shreeniwas Casttech Industries has become a leading manufacturer and supplier of a wide range of die-casting and components, including Aluminum Gravity Die Casting, Gravity Die Making, and Pattern Works. Our products are designed by a team of highly skilled professionals using premium quality raw materials and advanced methodologies to ensure superior quality and performance.

## **Quality Assurance**

We source our raw materials from reliable vendors, ensuring compliance with international quality standards. Our products are widely recognized for their high performance, corrosion resistance, low maintenance, reliability, and extended service life.

## **State-of-the-Art Manufacturing Facility**

Located in Chinchwad, Pune (Maharashtra, India), our manufacturing facility spans a large area and is equipped with cutting-edge machinery and technology. The infrastructure is segregated into various departments, including manufacturing, research & development, quality control, and warehousing & packaging, to ensure smooth operations and timely fulfillment of bulk and urgent orders.

## **Skilled Workforce**

We have a dedicated team of professionals with in-depth expertise in their respective fields. They work closely with our clients to understand and fulfill their specific requirements within the agreed time frame. Our professionals are committed to the growth and success of the organization, working tirelessly to achieve excellence in every project.

## **Client-Centric Approach**

Shreeniwas Casttech Industries is known for being one of the most client-oriented organizations in the industry. We prioritize customer satisfaction and ensure that all our products are manufactured in accordance with international quality standards.

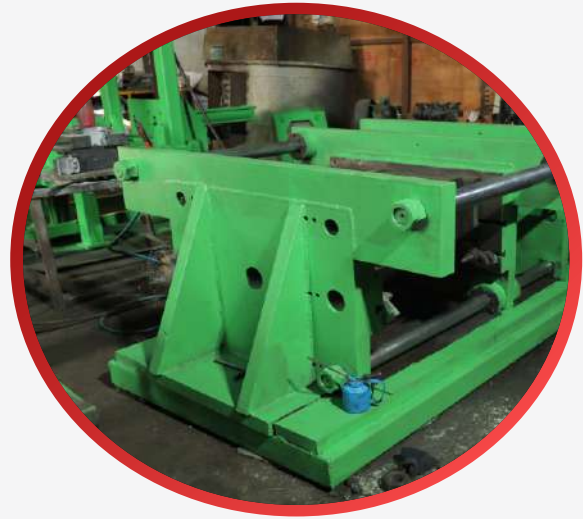

## **Commitment to Excellence**

We assure our esteemed clients that all products are crafted from well-tested raw materials and advanced technology, in line with international quality benchmarks.
